Seating at SF Jazz

In an effort to create a more efficient seating process, we will be seating Patrons and Sponsors in designated sections/rows but will NOT be providing assigned individual seats.

Please refer to the seating legend on the following pages indicating the area of the theater associated with each sponsorship level. Seating in each section will be on a first come first serve basis.

There is no bad seat in the house!

We feel this approach will provide us more time to engage in conversation with our Pioneers as well as enjoy pre and post event social time at the Jazz Center.

For questions regarding this approach, please reach out to any committee member or your sponsorship contact.

Thank you!

Thank you for your continued support of the IIDA Northern California Chapter. We look forward to seeing you on May 15th for Pioneers in Design!
